Dear Councilman Huizar and Dear Mr. Habib,

Our president, Dr. Ran Boytner has received a letter from someone at the City Clerk (that did not sign the letter for obvious reasons) that left many of us in the Arts District with an open mouth.

I have attached a scan of the three page letter and all supporting documents there were attached.

I would like your help in filing a complaint with the Ethic commission of the City as I believe this matter should be immediately investigated and resolved.

At this point our constant complaint and questioning of the reason why we are not able to be treated fairly by the City offices that review and certify BID district plans seems to get it answer.

Please let me know how we reach the correct person to file this complaint so we can do it ASAP.

We also believe that this information should be more than ample to hold any processing of the ADLA plan until such time that both plans receive an unbiased review and certification and get an equal time to receive their required community support.

A meeting was set up by Mrs. Paster for Next Monday to "review" the ADCCLA plan, or as Paul defined it, the meeting was set up so we can get an explanation why we cannot use the ALPHA BID city adopted ordinance in the Arts District. Needless to say that at this point we have very little confidence with the presence of Mrs. Paster in this meeting and I believe it will serve us all if the Council office will require Mrs. Paster to recuse herself until such time that her role in promoting plans authored by Mr. Gibson of Urban Place is clear.

Our office has received this complaint. Heather, can you provide me with the process that this constituent can use to file an ethics complaint?

Leela and Holly please review and let me know how you decide to proceed, especially in regards to our meeting on Monday.

Thanks

Paul

We are meeting today at 4pm and was wondering if any decision has been made on this? Without any preference, I just want to know what to expect in regards to if Miranda Pastor will be attending or not. Thanks

Paul

FYI - I spoke to Steve Andrews of the Mayor's Office. Steve indicated that he spoke w/ Office of Finance, CD 14 and Karen Kalfayan. They all indicated to him that this function should taken over by the BIDs. Its the best place for it.
